

Our mission is to make the work of tax accountants nationwide more accessible via community outreach, accountant profiles, and free information about tax accounting and the tax accountant profession.

Tax Preparation Help for Consumers

TaxAccountant.com is a great first stop regardless of your tax preparation needs:

- Tax Q&A feature lets you pose **tax accounting questions** to tax professionals and the community at large.
- Tax Accountant Directory helps you locate **Certified Tax Preparers** in your local area.
- Learn important changes in tax law and other tax accounting fundamentals.

Resources for Tax Professionals

TaxAccountant.com serves as an ambassador for the tax accounting profession, providing free information for those considering a career in tax accounting, as well as the public at large. In addition, we help existing tax accountants grow their business:

- Free and featured listing of your business in our **Tax Accountant Directory**.
- Build your reputation by publishing an article in our Tax Accounting resources section.
- Connect with new customers by answering tax questions in our Q&A section.
